# Event Overview

## The Decarbonising Dublin Summit returns for 2025.

The Decarbonising Dublin Summit is returning for 2025, following on from last year's sell-out success.

This is Ireland's only event to focus solely on the Dublin region and sets out to explore the challenges and opportunities for the capital to meet its climate and energy targets towards 2030 and 2050, along with highlighting best practice case studies to draw inspiration from.

Organised independently by Dublin's not-for-profit energy agency [Codema](#), the Decarbonising Dublin Summit aims to foster engaging and insightful discussion on how Dublin can become a leading European capital on climate mitigation. This event also offers a great opportunity to develop partnerships with like-minded stakeholders and communities looking to take action.

# Programme Schedule

**8:30 AM**      **EVENT REGISTRATION (TEA & COFFEE)**

## **SESSION 1**      **SUMMIT WELCOME AND INTRODUCTION**

**9 AM**      **SPEAKERS INCLUDE:**

Council

3.30 PM

SUMMIT CLOSE

# Why attend this event?

**Be part of the discussion on key challenges and solutions for Dublin**

Attending the Decarbonising Dublin Summit provides an important platform to share best-practice methods to reduce emissions in Dublin and encourage replication across all sectors. It also presents a great opportunity to network and collaborate with like-minded stakeholders and communities looking to take action.

## Why attend?

**Network with key stakeholders in Dublin's climate mitigation sector**

**Opportunity to form much-needed collaboration and partnerships**

**Learn from best-practice examples in the Dublin region**

**Discuss challenges and solutions to reducing Dublin's emissions**
